Have you HERD?

I wrote a book!

Well gang, I have done something crazy. Yes, I know, that's not entirely surprising to most of you. I wrote a book about achieving my dream of becoming a large animal veterinarian. It's made

up of several true short stories, most of which will make you laugh out loud. Everyone is constantly asking where I found the time to write a book. The answer is that I did it in between birthing babies, stamping out pestilence, and wrangling my young daughter. It's amazing what you can do if you set your mind to it.

Please visit my website, follow me on social media, and tell a friend. You'll most certainly want to read it, after all, you might be in it!
